Back cover:

October was a busy month in Port Charles. The return of Brenda Barrett held shocking consequences for many. The wrath of Alcazar led to both Sonny and Jax being caught in the crossfire. The truth about Alexis' pregnancy led to a stunning confrontation, while Courtney fought off her fears of a stalker. By month's end, Skye's goal was clear and an unlikely couple exchanged vows. Enjoy all the emotion and energy that is General Hospital with this special collection.
